Price: **Check with seller**

student lifecycle or academic management software for NEP 2020 in an academic institution: The National Education Policy (NEP) of India, launched in July 2020, represents a significant overhaul and comprehensive reform of the country's education system. It aims to address the evolving needs of a rapidly changing world by providing a framework that promotes holistic development, flexibility, and inclusivity across all levels of education. The policy emphasizes universal access to quality education, from early childhood to higher education, focusing on foundational literacy and numeracy, multidisciplinary learning, and skill development. NEP also emphasizes the integration of technology in education, promotion of Indian languages, and enhancement of teacher training and professional development. Overall, NEP seeks to transform India's education landscape to foster creativity, critical thinking, and innovation among learners, preparing them to thrive in a globalized and knowledge-driven economy.
