Caas India Solutions for Businesses (CaaS) in India - Tan90 Thermal: Tan90Thermal's Cooling as a Service (CaaS) offers an innovative solution for temperature-sensitive logistics, enabling businesses to use pre-frozen PCM panels without the need for significant capital investment. This service simplifies inventory management, optimizes storage space, and eliminates the need for manpower in freezing operations. By booking frozen panels a day prior, businesses can achieve efficient cold chain management, reducing operational costs by up to 40% and boosting profits by 50%.
