As you know, according to the seasons, there is a slight difference in the ghee of the cow but it always remains good whether it is of Bhadwe or remaining whole year. Some people make it in the wrong way because of all the games of naturalness and how natural you can keep.

When Bhadrapada month comes, the grass gets ripe and it is actually a very rare medicine. Among these, Dhaman is very sweet to cows, is a clean, strong fodder grown then it is strong fields. Sevna is another grass that is in the form of bunches. Similarly, the knot is also a solid stand. Murat, Bhurat, Baker, Kanti, Gramna, Makhani, Kuri, Jharnia, Sanawari,
