Address: **Sector 05, Imt Manesar, Gurgaon, Gurgaon(HR), Gurgaon**

Price: **600,000.00 ?**

Baling Press Machine Manufacturer in india: A baling press machine is used to compress and bind materials into compact bales. This equipment is commonly used in recycling and waste management industries. It helps in efficiently managing and transporting materials like paper, plastic, cardboard, and textiles by reducing their volume and making them easier to handle. The machine typically uses hydraulic or mechanical pressure to compress the materials and then ties them with wire or straps.
