MBBS Admission in India - Fees Structure, Eligibility, NEET Exam and Colleges: MBBS in India is one of the most preferred courses by medical aspirants around the world. The strong educational structure, sincere faculty, and top-notch medical universities in India are paving the way for success. To secure MBBS Admission in India, aspirants must appear in NEET. A healthy and peaceful environment in India helps students gain knowledge faster. MBBS in India requires a student to score at least 50% in 10+2 exams. The duration of MBBS courses in India is 5.5 years. The first 4.5 years are devoted to classroom training and the rest to internship. If you are planning to pursue an MBBS degree from a recognized university, India is a great choice. WHO, NMC, and UNESCO all endorse the best medical schools in India. <https://www.alladmissions.com/mbbs>
