Wooden Massage Bed: Professional Wooden Massage Beds from Esthetica - solid teak wood construction with manual height adjustment and backrest incline feature. Luxury designed with spa owners, massage therapists, and wellness centers in mind, it can be ordered for indoor use or outdoors with an exterior-grade wood coating and saltwater-resistant upholstery, making it perfect for locations close to the sea. The bed features a handcrafted face cradle, manually adjustable height, and an adaptable backrest for unparalleled comfort and functionality. Elevate the massage experience at your establishment with the exquisite Bliss Hardwood Massage Bed.
