GACC Registration – Food Registration for China: GACC Registration is a must for food exporters looking to enter the Chinese market. Managed by China's General Administration of Customs, this registration ensures food products meet China's quality and safety standards. It involves detailed documentation, labeling, and product testing to protect consumer health. With GACC registration, exporters can access China's vast market confidently. Agile Regulatory supports businesses through each step, making GACC registration straightforward and hassle-free for your food exports to China.
