Sunshade Mineral Glow Sunscreen SPF-50 PA+ Ultra Matte Finish | UVA+UVB & Broad Spectrum Protect: SunShade Ultra Block Mineral Glow Sunscreen—everything you need for sun protection and skincare in one. This sunscreen has SPF 50 and PA++++, which provide combined protection against UVA, UVB, IR, and blue light. It's very lightweight, ultra-matte, and gentle on sensitive skin types, with broad-spectrum protection that won't clog your pores at all. Enhance your tone of skin and refine pores with niacinamide, pamper, and nourish with squalane throughout the day. Vitis vinifera extract is an antioxidant-rich grape extract against free radicals to promote youthful radiance. SunShade's mineral-based active ingredients of zinc oxide and titanium dioxide guarantee gentle, non-greasy application and make it suitable for all skin types. Suitable in equal measure for both men and women alike, this sunscreen is a new definition of sun protection that provides extra care to your tone and leaves it glowing. Apply 15 minutes before sun exposure and reapply every two hours for best results. Go with SunShade for that perfect finish and brilliant protection.
