MBA Specialization: Full time MBA: This is a one-to-two-year program where students have to take their classes on a full-time basis and complete all the tasks properly given to them. Students have to take classes on a regular basis. Students get engaged in so many activities like case studies, internships, live projects, group activities, and so on. Full-time programs offer students a great opportunity to work closely with faculty members who are highly experienced in their field. Advantages of a full-time program: Deep Focus on Learning, Career, Opportunities Access to Internship Opportunities
