Gunjur: The New Heart Of Real Estate Properties 2025?Qikkads: Gunjur, the new and upcoming green umbrage of Bengaluru, is now the brimming spot of real estate opportunities in the East Zone, making it a lucrative area for real estate companies to invest in. Being on the rise of the rapidly blossoming real estate market, Gunjur is seen as a self-reliant domain with its exponential growth in residential and commercial real estate complexes, retail and wholesale establishments, social retreats, educational and healthcare facilities, and the efflorescence of IT links like Sarjapur and Whitefield. This begs the question— is it smart to invest in residential properties for sale in Gunjur? Well, you're in luck;
