Advanced and customized Hernia surgery in Navi Mumbai: Dr. Anil Deshpande is a highly experienced and renowned hernia surgeon in Navi Mumbai, offering advanced surgical solutions at Surya Hospital. With over 38 years of expertise, Dr. Deshpande is a pioneer in both open and laparoscopic hernia repair, making him a trusted name for patients seeking effective and lasting relief.

Dr. Deshpande is known for his deep understanding of complex abdominal conditions and his precision in performing specialized procedures, including:

- Open and Laparoscopic Hernia Repair Surgery: For all types of hernias, ensuring quick recovery and minimal discomfort.
- TAR Surgery (Transversus Abdominis Release): A cutting-edge technique for large or recurrent hernias, improving abdominal wall stability.
- AWR (Abdominal Wall Reconstruction): Advanced care for hernias with abdominal wall defects, restoring function and durability.

Dr. Deshpande's qualifications and decades of hands-on experience in general and laparoscopic surgery make him exceptionally skilled in handling hernia cases of all complexities. His patient-centric approach, combined with Surya Hospital's state-of-the-art technology, ensures safe and successful outcomes tailored to each patient's needs.
