MPT Course Detail 2025: MPT COURSE DETAIL 2024 Do you have a strong interest in helping people restore their physical abilities and in healthcare? If yes, you might be the ideal candidate for a Master of Physiotherapy (MPT) program! With the information and abilities gained from this postgraduate degree, you can pursue a fulfilling career as a qualified physiotherapist—a profession that is in high demand. What is MPT: Full Form and Course Overview? Master of Physiotherapy is an abbreviation for MPT. This two-year program leads to a postgraduate professional degree under the Allied Health Sciences track. The curriculum places a strong emphasis on physical therapy, which enhances a patient's physical function and mobility through the use of therapeutic exercises, manual therapy, and other methods. Physiotherapists collaborate closely with doctors and other medical specialists to provide complete patient care. Physiotherapy is regarded as a primary care treatment.
